### **PARTNERSHIP:**

## PELICAN POINTS

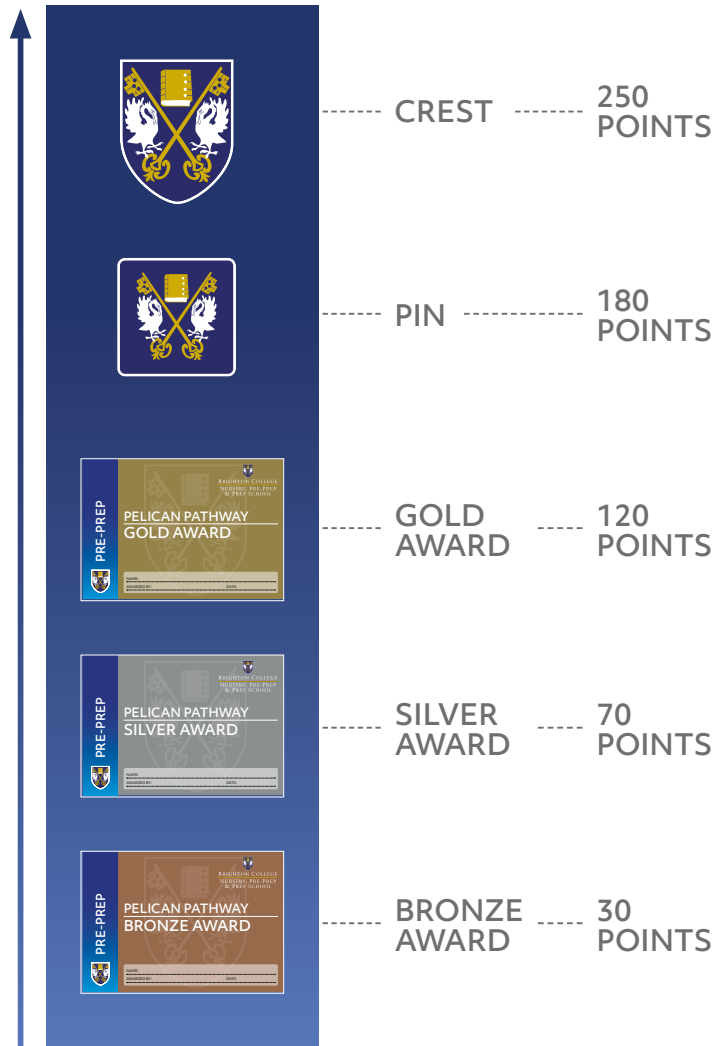

In order to journey along the Pelican Pathway, pupils collect **Pelican points** which are awarded to them by our staff team.

From **Reception to Year 2** Pelican points are awarded to pupils when they show clear examples of our defined qualities in **any of the three pillars**. Their points are recorded in **classrooms** by their class teachers.

From **Year 3 upwards** Pelican points are awarded for upholding the same qualities across **each of the three pillars** individually. This allows pupils the opportunity to gain separate rewards within each area of school life. In **Year 3** their points are recorded in **classrooms** by their class teachers. From **Year 4 upwards** pupils record their points into their **Prep diaries**.

## PRE-PREP

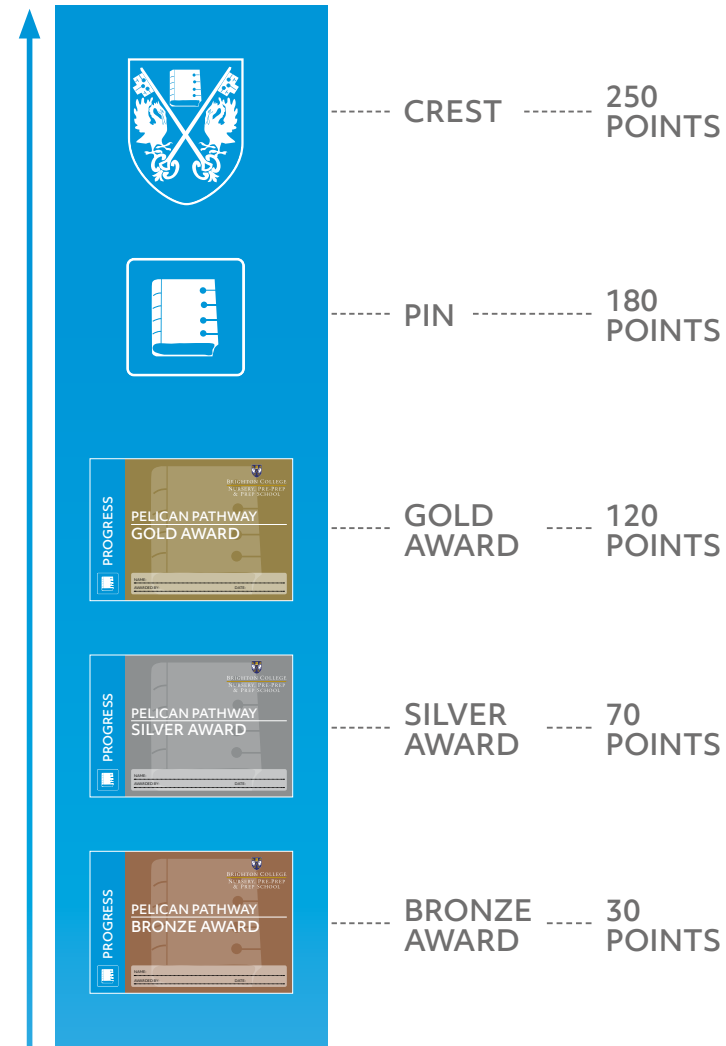

From Reception to Year 2 pupils are awarded Pelican points when they uphold any of the qualities we most value in our learning.

For our youngest pupils, reward can be achieved and will be encouraged in all three pillars of the Pelican Pathway; Progress, Participation and Partnership.

As pupils accumulate their Pelican points, they will be awarded bronze, silver and gold awards. The Pelican Pin and Pelican Crest awards are given to those pupils who achieve significant Pelican point totals over the course of an academic year.

## HOUSE POINTS

The Pelican Pathway is linked to our House system. Every time a pupil is awarded 10 Pelican points, they earn a house point.

From Year 3, this will be specific to each of the pillars; if 10 Pelican points have been awarded for Progress, one Progress house point will be given. This will give each House a total for Progress, Participation and Partnership.
