(SINGAPORE)

**Uniform Guidelines**

We are very proud of our school uniform which shares a lot of similarities with Brighton College UK. Children are expected to wear their uniform for all normal school days with only a few exceptions such as a charity 'dressing up' day and notified about wearing PE Kit. When travelling to and from the school we ask that children are smart and in full uniform, including their tie, where applicable, since they are representing the school in public. Parents will be informed of when children may wear the PE uniform.

Our uniform supplier is Ten Feet Tall.

They can be contacted at: [www.tenfeettalluniforms.com](http://www.tenfeettalluniforms.com)

All items required can be purchased from their online store, including school shoes. They offer a full measuring service and will be available at our Orientation Day to ensure all children have the correct uniform by the first day of term. For ongoing uniform purchases, these can be made online and delivered to your home.

Ten Feet Tall source the very best quality in uniforms used by many highly reputable British Prep and Senior Schools in the UK. Their clothing manufacturer is the first carbon-neutral uniform manufacturer in the UK and is committed to ethical practices and reducing clothing waste by donating end of life uniform stock to Giving World, a registered charity that donates unwanted clothing to some of the World's poorest communities. Items in our uniform list have been made using the latest technology; each one of our blazers is made from special fibres produced from 36 plastic bottles.

Marking of items Brought to School

It is essential that important items, especially those likely to be misplaced or lost, are marked with your child's name and class. All clothing, including hats, footwear, sports gear, swimming kits, kit bags and school bags should be clearly named.

Sun Safety

For the safety of your children, we operate a 'No Hat, No Play' policy. We ask that children wear sun hats and either bring sunscreen to be applied at school or apply it at home before coming to school. Children not wearing a hat will need to play in the shaded areas of the playgrounds.

### PE Kit

- All children must wear the correct kit for PE, which should be named and be taken home the same day for washing.
- Pre-Prep and Prep children may wear their PE into school wearing their PE kit and stay in it for the whole day, with no changing required. This applies on days when they have Games, PE, Swimming, or Dance. Typically, this works out to 2 days in their PE kit and 3 days in uniform.
- Senior School children are expected to wear school uniform every day and change into PE kit for the PE lessons only.
- House Shirts are required for pupils from Reception to Year 9 to wear at the House meetings and House competitions. House shirts should be worn with PE kit and pupils (including our Senior School) can remain in their House shirt and PE kit for the entire day. If your child doesn't have a House shirt, they should come to school in their regular school uniform for that day.
- All children should bring a filled water bottle to all PE lessons.
- Children will only be allowed into the gyms with clean sports shoes. Pre-Nursery children must have a change of sports shoes to put on for PE lessons.

### Expectations

During PE lessons:

- Children must take off their watches, earrings and other jewellery. Ear studs that cannot be removed will be taped;
- No student may take part in lessons or activities without the correct PE kit, including hats when appropriate;
- Children must treat the equipment with care and respect;
- Equipment will be counted out and counted back by the teacher, who will then ensure that all items are returned to the store;
- Children may only carry equipment under the supervision of the teacher;
- No food or drink is allowed inside the Gym with the exception of water.

Physical Education (including swimming) is a compulsory element of the curriculum. All children are expected to participate. If your child is unable to do PE please contact your classroom teacher or the School Nurse.

### Swimming

Swimming is an important part of the school's PE curriculum. It is excellent for general fitness and body control. It is also a skill that could save a life. As a compulsory element of the curriculum, all children are expected to participate in all swimming lessons and relevant events.

Children should bring their own towel and goggles. All children from Nursery upwards, require a school rash vest and swim cap as part of their uniform. Safety is of paramount importance. Therefore,

BRIGHTON COLLEGE  
(SINGAPORE)

we ensure that all classes are supervised by trained PE teachers, swimming coaches and lifeguards. If your child is unable to take part in a lesson, please contact your class teacher or the School Nurse.
